[Notes on application procedure]

- The Principal Investigator (PI) applicant is requested to obtain permission for this proposal from his/her institute/university before the submission. The applicant should discuss the research plan and budget in detail with the corresponding ISEE researcher (a permanent staff of ISEE) before submission.
- The PI applicant is requested to access the "ISEE International Collaborative Research Program" site (<https://www.isee.nagoya-u.ac.jp/en/co-re-application.html>) first to obtain a LOG-IN account (**it may take about ten minutes until the LOG-IN password is issued**). Then please visit the "ISEE International Joint Research Program" site and fill out the application form and submit it by the deadline.
- The PI must hold a doctoral degree, and must be an employee or a professor emeritus at foreign university or research institute to apply for "02) ISEE International Joint Research Program."
- The PI will send an e-mail attached with his/her Curriculum Vitae, Publication List, and Research Plan (1-2 pages) to the following contact address to apply for "11) SCOSTEP Visiting Scholar (SVS) Program (#)."
- Application deadline for all categories is **January 15, 2020**.

[ISEE Award / ISEE Community Meeting]

- The excellent research activity based on ISEE Collaborative Research Program will be awarded as the ISEE Award. We accept candidate recommendations in each year.
- We may request the PI to report his/her results of the ISEE Collaborative Research Program at the ISEE Community Meeting held in each year.
