

## List of the ISEE International Joint Research Program in FY2022 (Additional application)

Category	Application form	Report form
14) International Technical Exchange Program	Form 14	Form 14-1, 14-2
15) ISEE International School Support	Form 15	Form 15-1, 15-2

### [Notes on application procedure]

- The applications are open to both ISEE members and non-members.
- If the Principal Investigator (PI) applicant is not a member of ISEE, he/she needs to contact a member of ISEE to act as co-host. The PI is requested to obtain permission for this proposal from his/her institute/university and should discuss the research plan and budget in detail with the corresponding ISEE researcher (a permanent staff of ISEE) before submission.
- For 14) International Technical Exchange Program, the PI must be an employee at a university or research institute. Both researchers and technical staffs may apply for this opportunity. The PI will send an e-mail attached with his/her Curriculum Vitae and application form (Form 14) to the following contract address and the corresponding ISEE researcher.
- For 15) ISEE International School Support, the PI must hold a doctoral degree and be an employee or professor emeritus at a university or research institute. The PI will send an e-mail attached with application form (Form 15) to the following contract address and the corresponding ISEE researcher.
- Application deadline is **May 31 2022**.
