

List of the ISEE International Collaborative Research Program in FY2022

Category	Additional submission form	
	Submission	Report
02) ISEE International Joint Research Program	None	Form 2-1, 2-2
03) ISEE International Workshop	None	Form 3-1, 3-2, 3-3
11) SCOSTEP Visiting Scholar (SVS) Program	#	Form 11-1

[Notes on application procedure]

- The Principal Investigator (PI) applicant is requested to obtain permission for this proposal from his/her institute/university before the submission. The applicant should discuss the research plan and budget in detail with the corresponding ISEE researcher (a permanent staff of ISEE) before submission.
- The PI applicant is requested to access the "ISEE International Collaborative Research Program" site (<https://www.isee.nagoya-u.ac.jp/en/co-re-application.html>) first to obtain a LOG-IN account. By submitting the LOG-IN account request via this website, you will receive an e-mail with a password issued for your LOG-IN account. Then, please visit the " ISEE International Collaborative Research Program " site to fill out the application form and submit it by the deadline.
- The PI must hold a doctoral degree and must be an employee or a professor emeritus at foreign university or research institute to apply for "02) ISEE International Joint Research Program."
- The PI will send an e-mail attached with his/her Curriculum Vitae, Publication List, and Research Plan (1-2 pages) to the following contact address to apply for "11) SCOSTEP Visiting Scholar (SVS) Program (#)."
- Application deadline is **January 15, 2022**.

[ISEE Award / ISEE Community Meeting]

- The excellent research activity based on ISEE Collaborative Research Program will be awarded as the ISEE Award. We accept candidate recommendations in each year.
- We may request the PI to report his/her results of the ISEE Collaborative Research Program at the ISEE Community Meeting held in each year.
