

October 16, 2023 Shigaraki visit (Re-installation of OMTI Camera No.1)

Kazuo Shiokawa, Lalitha G. Krishnan, Manu Varghese, Kshitiz Upadhyay, and Akshay Shivaji Patil

- We visited the Shigaraki MU Observatory of Kyoto University to **re-install the OMTI Camera No.1**. The CCD camera of this imager was replaced to a used camera for the repairment. The installation was successful, and the observation has re-started from the night of Oct. 16.
